歌名:Let It Go

作詞：Kristen Anderson-Lopez 作曲：Robert Lopez

The snow glows white on the mountain tonight Not a footprint to be seen A kingdom of isolation and it looks like I'm the queen The wind is howling like this swirling storm inside Couldn't keep it in, heaven knows I tried Don't let them in, don't let them see Be the good girl you always have to be Conceal, don't feel, don't let them know Well now they know Let it go, let it go Can't hold it back anymore Let it go, let it go Turn away and slam the door I don't care what they're going to say Let the storm rage on The cold never bothered me anyway.
